Important Facts

In compliance with the Federal Student Right-to-Know/Campus Crime Requirements, this report includes data relating to graduation rates and crime.

GRADUATION RATES

The Higher Education Amendments of 1998, Public Law 105-244 mandates that the College disseminates graduation rates of degree-seeking, full-time undergraduate students who entered the institution during fall term of each year and complete the program in a minimum of three years. This report highlights the graduation rates for students entering the College in Fall 2009 and Fall 2013.

The College admits and graduates students in the Fall and Spring semesters. Table 1 describes the graduation rates for both Fall and Spring semesters. Student motivation along with assistance from the administration, faculty, and support staff are factors leading to students completing the program in a timely manner. Student success is important to faculty and staff at Saint Francis Medical Center College of Nursing.

CRIME PREVENTION AND SAFETY

- The Saint Francis Medical Center College of Nursing is located at 511 N.E. Greenleaf Street, Peoria, Illinois on the OSF Saint Francis Medical Center, Glen Oak campus. The crime prevention measures and crime statistics focus on the Greenleaf campus, the Medical Center, and the parking facilities adjacent to the College.
- The College of Nursing has been fortunate in not experiencing a significant number of crimes in the past. To prevent crime, the Medical Center's Security Department, Office of Student Health Services, College Support Representatives, students, faculty members and administration are all responsible for ensuring that members of the campus and their possessions are protected as much as possible.

DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS

In compliance with the Campus Security Act of 1996 and the 1997 revisions, the College of Nursing is providing crime statistics to current and prospective students, faculty, and staff members.

Table 3 below reports the offenses reported to authorities for 2009 through 2014. To enhance security of the students' cars, the College has developed and disseminated car safety tips.

The College promotes policies and procedures concerning safety of the campus, law enforcement, types and frequency of campus security programs, alcohol and drugs, emergency phone numbers, and access to campus facilities. A copy of the policies on campus security will be provided upon request to Robin Strange, Office of Student Health Services, at (309) 655-2221.

Student Right to Know

- The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. Educational institutions may not disclose information in education records without a student's written consent (with few exceptions), including parents of students. These rights are: (1) the right to inspect and review student's record, according to the institution policy, (2) the right to request the amendment of the student's education records that the student believes is inaccurate, (3) the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent, and (4) the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address to submit complaints to is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington D.C.
20202-5920

Students may review the College policy related to this Act in the Student Handbook.
